Dear Ms. Estella:

Congratulations on the occasion of the grand opening of the first Micronesian Resource Center One Stop Shop on Guam!

I commend Big Brothers Big Sisters of Guam and the Micronesian Resource Center One Stop Shop staff for all the hard work you have done in the last several months to work with our office, the Micronesian community, service providers, Governor Eddie Calvo, Mayor Ken Joe Ada of Yona, governmental agencies, and countless volunteers in establishing this One Stop Shop at such a beautifully renovated headquarters.

I especially applaud you for your leadership and vision in making this day a reality.

I wish the entire One Stop Shop team success in all that you do to fill an important gap in helping our Micronesian community on Guam as a well as working with agencies and providers who need help in outreach and training efforts on workforce development, health, education, and other social issues.

Keep up the good work and momentum!

Sincerely,

Esther P. Kia'aina
